Sound and stage

The minimum dimensions of the stage are 4m x4m x3m, preferably 5m x5m x3m. The scenography is a white photo studio setup with two white plinths.

Please provide FOH and a mini jack to connect to a laptop and white ballettape.

If the performance is outside, provide the needed equipment to dry the stage in case of rain.

We require a flat surface to perform on and, if played outside, the performance surface has to be in the shadow because we use audio triggers.

Schedule for performance at 14h and 16h

12h: arrival

12h-13h: stage set up and sound check

13h-14h: warm up +run through

14h: Performance

14h30-15h30: break

15h30-16h: warm up

16h: Performance

Backstage and food

Please provide a secure room with mirror and water. A shower and some healthy snacks are highly appreciated.

Please provide dinner for two persons or per diems at the official rate.
