

## Technical rider Protocole:

### Show space:

- As flat as possible 8X4 Meter. Hight min 6 Meter
- Any surface is possible.
- optimal show place (audience 180°)

-In case it is an open big show place we need an electrical point for our speakers. In case our show surface is small we play acoustic.

-We bring all the show equipment with us.

### Other:

-Changing room on walking distance, or parking spot for the van next to the showplace (which we can use as our changing place).

-Water spot on walking distance to fill our water bottles or min 2l water on the show place.
